

AGILE WITH TRELLO – STUDENT TASK MANAGEMENT

Trello Board:

Product Backlog Card 1 & 2:

Card 1 (Left):

- Description:** As a student, I want to list all my tasks in the product backlog so that I can plan my work properly.
- Labels:** Medium
- Due date:** Jan 18, 11:20 PM
- Acceptance Criteria:**
 - Task title must be added
 - Task should appear in Product Backlog
 - Task can be prioritized
 - Task can be moved to Sprint Backlog
- Tasks (Checklist):**
 - Identify tasks
 - Add task title & description
 - Assign priority label
 - Review backlog item

Card 2 (Right):

- Description:** As a student, I want to prioritize backlog items so that I can focus on important tasks first.
- Labels:** Medium
- Acceptance Criteria:**
 - Priority labels are available
 - Each task has one priority
 - High priority tasks are clearly visible
- Tasks:**
 - Create priority labels
 - Assign labels to tasks
 - Verify priority order

Sprint Backlog & To Do Card:

The image displays two cards side-by-side, both titled "Sprint Backlog & To Do Card".

Sprint Backlog Card (Left):

- Task:** As a student, I want to move selected tasks from the product backlog to the sprint backlog so that I can work on them in the current sprint.
- Labels:** Low
- Description:** As a student, I want to move selected tasks from the product backlog to the sprint backlog so that I can work on them in the current sprint.
- Acceptance Criteria:** Tasks are selected from Product Backlog, Sprint goal is defined, Tasks have due dates.
- Tasks:** Select backlog items, Move to Sprint Backlog, Assign due dates, Confirm sprint scope.

To Do Card (Right):

- Task:** As a student, I want to view tasks in the To Do list so that I know what work needs to be started.
- Labels:** Medium
- Description:** As a student, I want to view tasks in the To Do list so that I know what work needs to be started.
- Acceptance Criteria:** Task is ready for development, Requirements are clear, No blockers exist.
- Tasks:** Review task requirements, Confirm priority, Prepare for implementation.

In Progress & Testing Review Card:

The image displays two cards side-by-side, both titled "In Progress & Testing Review Card".

In Progress Card (Left):

- Task:** As a student, I want to move tasks to In Progress so that I can track the work I am currently doing.
- Labels:** High
- Description:** As a student, I want to move tasks to In Progress so that I can track the work I am currently doing.
- Acceptance Criteria:** Task is actively being worked on, Status is updated correctly, Only active tasks remain here.
- Tasks:** Start task work, Update progress, Track time spent.

Testing/Review Card (Right):

- Task:** As a student, I want to review and test completed tasks so that I can ensure they meet the required acceptance criteria.
- Labels:** Medium
- Description:** As a student, I want to review and test completed tasks so that I can ensure they meet the required acceptance criteria.
- Acceptance Criteria:** All subtasks completed, No major issues found, Task meets requirements.
- Tasks:** Verify functionality, Check acceptance criteria, Fix minor issues, Approve task.

Done Card:

The screenshot shows a Trello Done Card with the following details:

- Acceptance Criteria:**
 - All checklist items completed
 - Task reviewed and approved
 - No pending issues
- Tasks:**
 - Final verification
 - Move card to Done
 - Archive if required
